SECTION 8. CERTAIN POST-CLOSING ACTIONS

8.1. Covenants. The parties acknowledge and agree that, pursuant to Section 9.617 of the UCC, at Closing, Seller's disposition of the Collateral after default discharges the security interest of Seller under which the disposition was made. After Closing, Seller will use commercially reasonable efforts to amend the UCC financing statement Seller filed with the Secretary of State of Texas to delete the Purchased Assets from its collateral description and shall execute and deliver to the Buyer whatever other documents are reasonably necessary to evidence to any other governmental or regulatory filing agency the release of Seller's security interest and conveyance of the Seller's title in the Purchased Assets. 8.2. Further Assurances. From time to time for a period of one year after the Closing Date, each Party, without in any manner being required to expand to any extent, or otherwise alter to its detriment, its obligations hereunder, shall execute, acknowledge and deliver such additional documents and instruments and take such other actions (including providing reasonable cooperation in the event of any litigation relating to the validity and/or effect of the transactions contemplated hereby) as the other Party reasonably requests in order to more effectively assign, convey and transfer to Buyer the Purchased Assets and to more effectively carry out the transactions contemplated under this Agreement.

8.3. Receipt of Payments. If Seller receives any payment with respect to any of the Purchased Assets, including without limitation any accounts receivable included in the Purchased Assets (the "Accounts Receivable"), at any time after the Closing Date, Seller shall promptly deliver such payment to Buyer. In addition, Seller shall cooperate with Buyer regarding any Accounts Receivable collected into the lockbox account or any other accounts of Debtor maintained by Seller, and to transfer such account and/or monies contained therein to Buyer after Closing.

SECTION 9. MISCELLANEOUS

9.1. Waiver. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including any investigation by or on behalf of either party, shall be deemed to constitute a waiver by the party taking such action of compliance by the other party with any representation, warranty, covenant, condition or agreement contained herein. The waiver by a party hereto of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

9.2. Amendment. This Agreement may not be amended except in a written document duly executed by Buyer and Seller.

9.3. Governing Law, Venue. This Agreement shall be governed by the Laws of the State of Texas applicable to contracts made and to be performed entirely within such State. objection it may have now or hereafter to such venue and irrevocably submits to the jurisdiction of such court in any such suit, claim, action or Proceeding.

RECITALS

WHEREAS, Lender and ACET Global, LLC, a Texas limited liability company ("Original Borrower") are parties to that certain Business Loan and Security Agreement dated as of July 20, 2017 (the "Original Loan Agreement") pursuant to which Lender agreed to make, and did make, certain loans to the Original Borrower (collectively, the "Original Loan");

WHEREAS, the Original Loan was secured by a security interest in all of Original Borrower's personal property;

WHEREAS, Original Borrower was in default of its obligations under the Original Loan Agreement;

WHEREAS, Lender had the right to enforce all of its remedies against the Original Borrower and elected to conduct a foreclosure sale of certain of the Original Borrower's personal property in which Lender had a security interest (the "Foreclosed Property");

WHEREAS, Borrower agreed to purchase, and Lender agreed to sell, the Foreclosed Property;

WHEREAS, as consideration for its purchase of the Foreclosed Property, Borrower has agreed to assume certain of the Original Borrower's obligations under the Original Loan Agreement, as further described in this Agreement;

WHEREAS, in connection with such assumption, Borrower and Lender desire to amend and restate in its entirety, the Original Loan Agreement;

NOW, THEREFORE, in consideration of the promises and the mutual promises herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lender and Borrower agree as follows:

1. LOAN

1.1 Loan. Borrower acknowledges that Lender made a loan (the "Loan") to Original Borrower of the sum designated in the Loan Chart as "Amount of Loan," subject to the terms and conditions of the Original Loan Agreement, which has been assumed by Borrower pursuant to the terms and conditions of this Agreement.

1.2 Amendment and Restatement of Original Loan Agreement. Borrower and Lender agree that the terms and provisions of the Original Loan Agreement (including the schedules and exhibits thereto) shall be and hereby are amended, superseded and restated in their entirety by the terms and provisions of this Agreement. This Agreement is not intended to and shall not constitute a novation. All loans made and obligations incurred under the Original Loan Agreement which are outstanding on the Effective Date shall continue as Loans and Obligations under (and shall be governed by the terms of) this Agreement and the other Loan Documents..

2. PAYMENT TERMS

2.1 Repayment. Borrower shall repay the Loan by paying the Total Payback Amount specified and on the terms set forth in the Loan Chart, subject to the additional terms set forth in this Agreement.

2.2 First Payment. If the Loan Chart designates a "First Payment," then as of the "Start Date for Payments" shown on the Loan Chart, Lender shall apply such portion of Loan proceeds as is required to make the first scheduled payment set forth in the Loan Chart.

2.3 Last Payment. If the Loan Chart designates a "Last Payment," then Lender shall reserve that amount from the proceeds of the Loan and shall apply that amount toward the final payment set forth in the Loan Chart when such payment becomes due.

2.4 Prepayment Limitation. Borrower shall be entitled to prepay all (but not less than all) of the Loan by paying the Total Payback Amount, without discount, either before or after an Event of Default, and any interest that may be owing and included in the Total Payback Amount shall be due and payable and not subject to any credit or deduction of the total amount due as a result of the payment's being made prior to the maturity date of the Loan as set forth in the Loan Chart.

2.5 Interest. Interest for the Loan is set forth in the Loan Chart as Total Interest Charge and is already included in the Total Payback Amount. Following the occurrence of an Event of Default, an additional interest charge of 5% per annum on the then outstanding Obligations shall be immediately due and owing from the date of the Event of Default until Lender has received the Total Payback Amount set forth in the Loan Chart.

2.6 Late Fee. If any Payment Amount set forth in the Loan Chart is not received in full by Lender as of the applicable due date, and such failure is not cured within three (3) Business Days of the date due, Borrower authorizes Lender, without notice to Borrower, to charge a late charge equal to ten percent (10%) of such Payment Amount then due, or the maximum amount permitted by applicable law, whichever is less (the "Late Fee"), by initiating debit charges to Borrower's Account. The Late Fee shall apply only to scheduled payments and shall not apply to any lump sum payment due upon acceleration.

2.7 Borrower's Obligation to Pay Is Not Conditional on Amount of Funds in Borrower's Account. Borrower's obligation to repay the Obligations is not dependent upon whether or not there are sufficient funds in the Borrower's Account, nor is Borrower's obligation to pay excused if Borrower receives insufficient income to make any payment required under this Agreement. If, for any reason, there are insufficient funds in Borrower's Account or insufficient income to cover any payment due under this Agreement, or if for any reason Lender is unable to collect on an ACH request to Borrower's Account, Borrower agrees to immediately make said payment by regular check, cashier's check, money order or by wire transfer as instructed by Lender. Borrower understands that payments made by any method other than that contemplated by the ACH Authorization may result in a delay in Lender's receipt of such payment and that Borrower may incur a Late Fee if the payment is

of grace, if any, therein with respect thereof, if the effect thereof (with or without the giving of notice or further lapse of time or both) is to accelerate, or permit the holder of any such indebtedness to accelerate, the maturity any such indebtedness, or any such indebtedness shall be declared due and payable or be required to be paid (other than by a regularly scheduled required prepayment) prior to the stated maturity thereof; or

8. REMEDIES UPON DEFAULT

At any time after any Event of Default has occurred and is continuing, Lender may, without presentment, demand, protest, or further notice of any kind (all of which are hereby expressly waived) and, notwithstanding the provisions contained in any other document or instrument executed or to be executed by Borrower to Lender take any one or more of the following actions:

8.1 Declare all Obligations, including the entire Total Payback Amount, together with all loan costs and expenses and reasonable attorneys' fees, to be immediately due and payable. Lender shall be entitled to immediately enforce payment of all Obligations by any means permitted by law or in equity.

8.2 Notify customers, account debtors or lessees of Borrower that Lender has a Security Interest in the accounts, rights to payment, equipment, chattel paper and general intangibles of Borrower and may collect them directly; Lender may settle or adjust disputes and claims directly with account debtors or payment processor companies or insurance companies for amounts and upon terms that Lender considers advisable, and in such cases, Lender will credit the Obligations under this Agreement with only the net amounts received by Lender, after deducting all reasonable expenses incurred or expended in connection therewith;

8.3 Make such payments and do such acts as Lender considers necessary or reasonable to protect its Security Interest and Collateral. Borrower agrees to assemble the Collateral if Lender so requires, and to make the Collateral available to Lender as Lender may designate at a location which is reasonably convenient to Borrower and Lender. Borrower authorizes Lender to enter the premises where the Collateral is located, take and maintain possession of the Collateral, or any part of it, and to pay, purchase, contest or compromise any encumbrance, charge or lien which in the reasonable opinion of Lender appears to be prior or superior to the Security Interest (other than the Permitted Encumbrances) and to pay all expenses incurred in connection therewith. With respect to any of Borrower's owned or leased premises, Borrower hereby grants Lender a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of Lender's rights or remedies;

8.4 Ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell (in the manner provided for herein) the Collateral. Lender is hereby granted a license or other right to use, without charge, Borrower's labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks, and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in completing production, sale or general administration of the Collateral, and Borrower's rights under all

licenses and franchise agreements shall inure to Lender's benefit;

8.5 Sell the Collateral at either a public or private sale, or both, by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Borrower's premises) as is commercially reasonable in the reasonable opinion of Lender. It is not necessary that the Collateral be present at any such sale. Lender shall not be obligated to make any sale of the Collateral regardless of notice of sale having been given. Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned;

8.6 Lender shall give notice of the disposition of the Collateral as follows:

(a) Lender shall give Borrower and each holder of a security interest in the Collateral a notice in writing of the time and place of public sale, or, if the sale is a private sale or some other disposition other than a public sale is to be made of the Collateral, the time on or after which the private sale or other disposition is to be made;

(b) The notice shall be personally delivered or mailed, postage prepaid, to Borrower as provided in this Agreement, at least ten (10) days before the date fixed for the sale, or at least ten (10) days before the date on or after which the private sale or other disposition is to be made, unless the Collateral is perishable or threatens to decline speedily in value;

8.7 Borrower agrees that Lender may obtain the appointment of a receiver or keeper to take possession of all or any portion of the Collateral or to operate same;

8.8 Any deficiency that exists after disposition of the Collateral as provided above will be paid immediately by Borrower. Any excess will be returned immediately, subject to the rights of third parties, and/or as provided by law, to Borrower by Lender;

8.9 All payments received by Borrower in respect of the Collateral shall be forthwith paid over to Lender in the same form as so received (with any necessary endorsement), and may be held or applied by Lender to the Obligations in such order as Lender may determine;

8.10 File suit for any sums owing or for damages; and

8.11 Exercise any other remedy or right provided in law or in equity or permitted under this Agreement or by the California Uniform Commercial Code.

9. REMEDIES CUMULATIVE

Any and all remedies conferred upon Lender shall be deemed cumulative with, and non-exclusive of any other remedy conferred hereby or by law and/or equity. Lender in the exercise of any one remedy shall not be precluded from the exercise of any other. Lender may exercise any and all rights and remedies available to it concurrently or independently, in such order, as frequently, and at such time or times as Lender may, in its sole discretion, deem

10. MISCELLANEOUS

10.1 Power of Attorney. Borrower hereby irrevocably appoints Lender as its or his true and lawful attorney, as the case may be, with full power of substitution, in Lender's name or in its or his name or otherwise, for Lender's sole use and benefit, but at Borrower's cost and expense, without notice to Borrower or any other person, to exercise at any time and from time to time:

(a) while any Event of Default then exists, demand, sue for, collect, receive, and give acquittance for any and all monies due or to become due upon or by virtue thereof;

(b) receive, take, endorse, assign, and deliver any and all checks, notes, drafts, documents, negotiable or non-negotiable instruments, or chattel paper in connection therewith;

(c) while any Event of Default then exists, settle, compromise, compound, prosecute or defend any action or proceeding, including, without limitation, a foreclosure action, with respect thereto;

(d) while any Event of Default then exists, extend or modify terms of payment or make any allowance or other adjustment with respect thereto; or

(e) while any Event of Default then exists, notify account debtors of the Security Interest granted hereby and instruct such account debtors that payment of their respective accounts is to be made directly to Lender and take control of any and all such payments or other proceeds of such accounts.

10.2 Attorneys' Fees and Costs. Borrower shall pay on demand all of Lender's reasonable attorneys' fees and costs incurred by Lender in: (a) enforcing this Agreement and Lender's rights in its Collateral; and (b) the collection of any amounts due under this Agreement, whether or not suit is brought. Further, Lender shall be entitled to all reasonable attorneys' fees and costs incurred by Lender in connection with any bankruptcy proceeding of the Borrower, including any and all reasonable attorneys' fees and costs incurred to preserve, protect, monitor, or realize upon the Obligations and any security for such Obligations. The costs incurred by Lender include but are not limited to appraisal fees, filing fees, audit and inspection fees, and all other out-of-pocket costs and expenses incurred by Lender.

10.3 Waivers.

(a) Borrower hereby waives presentment, demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance herein, and all other demands and notices of any kind or description. With respect to the Obligations and the Collateral, Borrower assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of Collateral, to the addition or release of any person or entity primarily or secondarily liable therefor, to the acceptance of partial payments thereon and the settlement,

compromise, or adjustment of any thereof, all in such manner and at such time or times as Lender may deem advisable in its sole and absolute discretion. Lender shall have no duty as to the collection or protection of the Collateral or any income therefrom, as to the preservation of rights against prior parties, or as to the preservation of any rights pertaining to the Collateral beyond the safe custody thereof. Lender may exercise its rights with respect to the Collateral without resorting or regard to any other collateral or sources of payment for liability;

(b) Neither any failure nor any delay on the part of Lender in exercising any right, power, or privilege hereunder or under this Agreement or any other Loan Document shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Lender shall not be deemed to have waived any of its rights with respect to the Obligations or Collateral hereunder or under any other written document, unless such waiver is in writing and signed by Lender.

10.4 Monitoring, Recording, and Electronic Communications. In order to ensure a high quality of service for Lender's customers, Lender may monitor and/or record telephone calls between Borrower and Lender's employees. Borrower acknowledges that Lender may do so and agrees in advance to any such monitoring or recording of telephone calls. Borrower also agrees that Lender may communicate with Borrower electronically by email.

10.5 No Third-Party Beneficiary. This Agreement is made solely between Borrower and Lender and no other person shall have any right of action hereunder and the parties expressly agree that no person shall be a third-party beneficiary to this Agreement.

10.6 Indemnity. Borrower agrees to indemnify, defend, and hold harmless Lender, its employees, members, directors, managers, officers, or agents from and against any loss, liability, damage, penalty or expense (including reasonable attorneys' fees, expert witness fees, and cost of defense) they may suffer or incur as a result of: (a) any failure by Borrower or any employee, agent or Affiliate of Borrower to comply with the terms of this Agreement or any other legal obligation to Lender; (b) any warranty or representation made by Borrower being false or misleading; (c) any representation or warranty made by Borrower or any employee or agent of Borrower to any third person; (d) negligence of Borrower or its/his/her subcontractors, agents or employees; or (e) any alleged or actual violations by Borrower or its/his/her subcontractors, employees or agents of any governmental laws, regulations or rules.

10.7 Assignment. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective executors, administrators, heirs, successors, and assigns, provided, however, that neither this Agreement nor any rights or Obligations hereunder shall be assignable by Borrower without first obtaining the express written consent of Lender. Lender has no obligation to consent to the Borrower assigning this Agreement. Any purported assignment made in contravention of the forgoing consent shall be void. Lender may assign any part of or all of the Loan and its rights and Obligations hereunder at any time in its sole and absolute

discretion provided that Lender notifies Borrower of the assignment of this Agreement promptly thereafter. Lender may sell participations in all or any portion of the Loan to such other party or parties as Lender shall select, all without notice or disclosure to Borrower.

10.8 Maximum Interest. If Lender contracts for, charges, or receives any consideration that constitutes interest in excess of the highest lawful rate that is permissible under the law applicable to this Agreement, then any such excess shall be canceled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loan made hereunder or be refunded to Borrower. In determining whether the interest contracted for, charged, or received by Lender exceeds the highest lawful rate, Lender may, to the extent permitted by applicable law: (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Loan hereunder.

10.9 Time Is of the Essence. The Parties hereto expressly acknowledge and agree that time is of the essence and that all deadlines and time periods provided for under this Agreement are ABSOLUTE AND FINAL.

10.10 Notices. Any notices required or permitted to be given pursuant to this Agreement shall be in writing and may be given by personal delivery, email, facsimile, first class mail via the United States Postal Service, postage prepaid, or by any overnight courier by sending said notice to Borrower at the address set forth its signature below or to Lender at the following address:

Super G Capital, LLC
23 Corporate Plaza, Suite 100
Newport Beach, CA 92660

If either party desires to change the address or email and fax numbers to which notices are to be sent, it shall do so in writing and deliver the same to the other party in accordance with the notice provisions set forth above.

10.11 Modifications. This Agreement may not be modified, amended, waived, extended, changed, discharged, or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge, or termination is sought.

10.12 Severability. If any term or provision of this Agreement or the application thereof to any circumstance, shall be invalid, illegal, or unenforceable to any extent, such term or provision shall not invalidate or render unenforceable any other term or provision of this Agreement or the application of such term or provision to any other circumstance then to the extent permitted by law, Borrower and Lender hereto hereby waive any provision of law that renders any term or provision hereof invalid or unenforceable in any respect.

10.13 Definitions. As used herein, (a) "Affiliate" means (i) any other person or entity which, directly or indirectly, controls or is

controlled by or is under common control with Borrower or (ii) any officer, employee, member, manager, shareholder, or director of Borrower; an entity shall be deemed to be "controlled by" any other person or entity if such person or entity possesses, directly or indirectly, power to vote 10% or more of the securities (on a fully diluted basis) having ordinary voting power for the election of directors or managers or power to direct or cause the direction of the management and policies of such entity whether by contract or otherwise; (b) "Business Day" means any calendar day other than Saturdays, Sundays and official Federal Holidays; and (c) "Loan Documents" means, collectively, this Agreement and all other documents evidencing, securing or relating to the Obligations or executed in connection herewith, and all amendments and modifications of any of the foregoing.

11. GOVERNING LAW, FORUM SELECTION, AND CONSENT TO JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of the State of California without reference to its choice of law provisions. Lender and Borrower agree that: (a) all actions or proceedings arising out of or related to this Agreement; (b) any written agreements between or related to Lender and Borrower; and (c) all other disputes, regardless of whether arising out of contract or solely a tort, shall be tried and litigated exclusively in the state and federal courts located in the Orange County, California in a city to be designated by Lender, or in the City of Los Angeles, State of California. This choice of venue is intended to be mandatory and not permissive, thereby precluding the possibility of litigation between the Lender and Borrower in any jurisdiction other than that specified herein. Borrower hereby waives any right it may have to assert the doctrine of forum non conveniens (or any similar doctrine) or to otherwise raise any objection to venue with respect to any proceeding arising out of or related to this Agreement or any other written agreements between Lender and Borrower.

Lender and/or Borrower irrevocably and unconditionally consent to personal jurisdiction in California and venue in in any action in Orange County, California, in a city to be designated by Lender, or in the City of Los Angeles, State of California. Borrower further stipulates that the state and federal courts located in Orange County, California or the City of Los Angeles, State of California shall have in personam jurisdiction and venue over Borrower for the purpose of litigating any dispute, controversy, or proceeding arising out of or related to: (i) this Agreement; and (ii) all other written agreements between the Borrower and Lender, including, without limitation, petitions to compel the judicial reference and to enforce the statement of decision by the referee.

Any action filed by Borrower or Lender shall be filed in the Los Angeles County Superior Court for the Central Judicial District or the Federal District Court for the Central District of California, located in the City of Los Angeles, or the Federal District Court, Central District of California located in Orange County, California. The judicial reference proceedings shall be conducted in the City of Los Angeles, California or in Orange County, California, in a city to be designated by Lender.

12.1 At the request of either Lender or Borrower, any controversy or claim between or amongst Lender and Borrower, regardless of whether the dispute or controversy arises under or is related to this Agreement, shall be determined by a reference in accordance with California Code of Civil Procedure sections 638, et seq. Judgment upon the award rendered by such referee shall be entered in the court in which such proceeding was commenced in accordance with California Code of Civil Procedure sections 644 and 645.

12.2 Selection or Appointment of Referee. When Lender and Borrower are involved in any dispute or controversy (the "Reference Parties") they shall jointly select a single neutral referee who shall be a retired state or federal judge. In the event the Reference Parties cannot agree upon a referee, a single neutral referee shall be appointed by the court in accordance with the procedure set forth in Code of Civil Procedure section 640(b).

12.3 Conduct of Reference. The judicial reference shall be conducted pursuant to California law. The referee shall determine all issues relating to the applicability, interpretation, legality, or enforceability of all agreements. The referee shall report a statement of decision to the court. The Reference Parties shall equally bear the fees and expenses of the referee. The prevailing party shall be entitled to recover the fees and expenses that it/he/she paid to the referee and such fees and expenses shall be awarded in the statement of decision.

12.4 Reference Constitutes a Waiver of the Right to a Jury Trial. Borrower and Lender understand and acknowledge that by agreeing to judicial reference, Borrower and Lender each are hereby knowingly, voluntarily, and intentionally waiving any right (whether arising under the Constitution of the United States, the State of California, or of any other state, or under any foreign jurisdiction, under any statutes regarding or rules of civil procedure applicable in any state or federal or foreign legal proceeding, under common law, or otherwise) to demand or have a trial by jury of any claim, demand, action, or cause of action arising under, relating, or appertaining to: (i) this Agreement; (ii) any written agreements between Lender and Borrower; (iii) any disputes or controversies in any way connected with or related or incidental to the discussions, dealings, or actions between Lender and Borrower (whether oral or written); and (iv) any claims now existing or hereafter arising between Lender and Borrower, whether sounding in contract or tort or otherwise.

Each of the Reference Parties hereby agrees and consents that any such claim, demand, action, or cause of action shall be decided by the referee without a jury, and that any of the Reference Parties may file an original counterpart or a copy of this Agreement with any court as written evidence of its waiver of right to trial by jury. The Reference Parties acknowledge and agree that they have received full and sufficient consideration for this provision (and each other provision of each other related document to which they are a party) and that this provision is a material inducement for the Lender in accepting this Agreement. By waiving a jury trial, the Reference Parties intend claims and disputes to be resolved by the referee and/or judge acting without a jury in order to avoid the delays, expense, and risk of mistaken interpretations which each Party

acknowledges to be greater with jury trials than with nonjury trials.

12.5 Provisional Remedies, Self-Help And Foreclosure. No provision of this Agreement or written agreements between the Lender and Borrower, will limit the right of Lender to: (a) foreclose against any real property collateral by the exercise of a power of sale under a deed of trust, mortgage or other security agreement or instrument, or applicable law; (b) exercise any rights or remedies as a secured party against any personal property collateral pursuant to the terms of a security agreement or pledge agreement or applicable law; (c) exercise self-help remedies such as setoff; or (d) obtain provisional or ancillary remedies such as injunctive relief, writs of attachment, writs of possession, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any referral. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies will not constitute a waiver of the right of any party, including the plaintiff, to submit any dispute to judicial reference.

13. NO FIDUCIARY RELATIONSHIP

Borrower hereby acknowledges that Lender does not have any fiduciary relationship to Borrower, and the relationship between Lender, on the one hand, and Borrower, on the other hand, is solely that of creditor and debtor and no joint venture exists between Lender and Borrower.

14. RULES OF CONSTRUCTION

Lender and Borrower have participated in the preparation and/or review of this Agreement, and this Agreement shall be deemed the result of the joint efforts of Lender and Borrower. This Agreement has been accepted and approved as to its final form by Borrower and upon the advice of its counsel but shall not be deemed accepted and approved by Lender until duly executed in the State of California by its duly authorized officer. Borrower acknowledges that the Loan is being made in the State of California and that all payments of the Obligations are not accepted until received by Lender in the State of California. Borrower further acknowledges that if Borrower elected not to consult with an attorney before signing this Agreement, Borrower had ample time to hire an attorney and obtain a review this Agreement by counsel before signing this Agreement. Accordingly, any uncertainty or ambiguity existing in this Agreement shall not be interpreted against either Lender or Borrower as a result of the manner of the preparation and presentation of this Agreement. Borrower and Lender agree that any statute or rule of construction providing that ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement and are hereby waived.

15. COUNTERPARTS

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, and such counterparts shall together constitute one and the same instrument. The signatures to this Agreement may be evidenced by facsimile or scanned email copies reflecting the party's signature hereto, and any such facsimile copy or scanned email copies shall be sufficient

to evidence the signature of such party as if it were an original signature. Any failure by such Borrower or Lender to deliver original counterparts shall not affect the validity or the delivery of this Agreement or any documents in writing between Lender and Borrower.

16. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the Lender and Borrower with respect to the subject matter hereof, and supersedes all other agreements, oral or written, between Lender and Borrower with respect to the subject matter. Borrower acknowledges and represents that it/he/she has read this Agreement carefully and that there have been no oral or written statements made to it/he/she by Lender or any other party that contradicts, varies, or would change the meaning of any statements, promises, or agreements set forth in this Agreement. Borrower acknowledges that a failure to review this Agreement before signing it precludes any claim that it does not represent the true and accurate agreement of the Lender and Borrower. No claim of waiver, modification, consent or acquiescence with respect to any provision of this Agreement shall be made against any party herein, except upon the basis of a written instrument executed by or on behalf of such party, which written instrument must expressly reference this Agreement.

By signing below, Borrower agrees and authorizes Lender to collect payments required under the terms of this Agreement by initiating ACH debit entries to Borrower's Account in the amounts and on the dates provided in the payment schedule set forth in the Loan Agreement. Borrower authorizes Lender to increase the amount of any scheduled ACH debit entry by the amount of any previously scheduled payment(s) that was not paid as provided in the payment schedule and any unpaid returned payment charges and/or late fees. Lender may suspend or terminate Borrower's enrollment in the automatic payment plan effected by this Authorization immediately if Borrower fails to keep Borrower's Account in good standing or if there are insufficient funds in Borrower's Account to process any payment. If Borrower revokes this Authorization, Borrower still will be responsible for making timely payments pursuant to the alternative payment methods described in the Loan Agreement.
